## Two Guys and a Truck Hires Controller

**Sterling, Virginia (July 21, 2008)** – Two Guys and a Truck® has a new “guy” on the executive team. The locally based moving and storage announced this week the hiring of longtime professional financial manager Ralph Castano as the company’s new controller.

Ralph Castano

Mr. Castano has a long record of sound financial management, having most recently helped guide Winchester-based DK Industrial Services through chapter 11 reorganization as that company’s controller. Previous to that position, he worked as an accounting manager for Leesburg-based REHAU, Inc.

“We’re thrilled to add Ralph’s considerable skills to our team,” said Two Guys and a Truck CEO David Underwood. “As we continue the growth of our business in Loudoun County, and as we sell more franchises around Virginia, Maryland, and the District of Columbia, we’ll need to have an experienced financial executive.”

Mr. Castano begins work in the newly created position immediately.
