Become "One of the Guys" and Move Up... *Fast!*

Friendly. Affordable. Professional.

That's what differentiates Two Guys and Truck® from other moving companies and makes our brand very easy to sell. These same qualities create a rewarding franchise experience for you in today's multi-billion dollar Household Goods Moving & Storage Industry.

Enjoy recession-proof growth.

No matter what the economy does, people move. And in Virginia, Maryland and Washington, people keep moving: Every presidential, congressional or state election, people move. Military families relocate. The region's powerhouse business climate keeps folks moving in ... and up. Parents even hire movers to get college students to and from home, dorms and apartments.

Build a future on 20 years of proven success.

Two Guys and a Truck® started in Ohio in 1987 and came to the Washington area in 1989. Our high-profile logo and memorable name quickly won us attention. Our unique blend of affordability and professionalism has kept us growing ever since.

Now, we've created a limited number of low-investment franchise opportunities to let entrepreneurs like you share the success.

Generous margins - no business or moving experience needed!

Two Guys and a Truck® franchises are easy to buy and easy to run. With our fast-start kit, you get help with hiring and training employees, and can be up and running on average in 30-90 days! Our simple, ready-to-use business system lets you start making money right away.

Don't miss this limited-time opportunity to join Two Guys and a Truck® — the franchise that's ready to move you up to new pride and success!

How do I differentiate myself in the market?

- ✓ A brand that's already recognized and popular
- ✓ Friendliness ✓ Affordability ✓ Professionalism
- ✓ Residential, commercial and government services
- ✓ Local, nationwide and international shipping and storage

Do I need expertise in the moving industry?

No. In fact, one our franchisees left a job in the high-tech industry for the freedom and the earning potential of a Two Guys and a Truck® franchise. As for moving experience, you and your movers can learn the business fast with training at the simulated townhouse here at franchise headquarters in Sterling, VA.

How much can I expect to earn?

It depends on your territory and other factors—most of which you control. Although we can't guarantee your success, if you follow our system with two trucks, it's possible to gross \$750,000 - \$1,000,000 per year.

How soon can I be open for business?

You can be up and running 30-90 days from funding your franchise. With our partnership program, you can be in business even sooner.

How can I move up?

A limited number of protected territory Two Guys and a Truck® franchises are now available. Many have already been sold or reserved. Don't miss your chance! Contact us today.
